Tuesday Afternoon Women's Program

The Tuesday afternoon program starts at 1:00 pm and is designed to help develop curling skills. Whether you are a new curler or just looking to improve, there is something here for you.

During October/ November the Day Women will run a number of coaching clinics to provide skills development for new and not so new curlers. Clinics are held on Delivery, Sweeping, Weight Control, Angles and Reading the Ice and Strategy. Although priority is given to our Day Women members, these sessions are open to any Dixie member.

During December, the Day Women will offer individual entry play designed to implement and practice new skills learned in the curling clinics. Stay tuned for more details.

After Christmas will be C2C (Choose to Curl). Players sign up in pairs (front or back end) and teams are assigned.

In-House Bonspiels

Each year the Day Women get together to plan and produce several in-house bonspiels.

These are individual entry, fun, day-long competitions, usually consisting of 2 shortened games, lunch and prizes. Participation is open to all Day Women members.

In-house bonspiels are held at Christmas time, around Valentines Day (Sweetheart Spiel), and in the Spring (The Spring Fling).

Inter-Club Bonspiels

The Day Women create two special Inter-Club bonspiels each year. These spiels are always fun and in high demand. They're a great way to broaden your experience and play with curlers from other clubs
